PETITIONS OFFICE

**PETITION FOR REVIVAL OF AN  
APPLICATION FOR PATENT ABANDONED  
UNINTENTIONALLY UNDER 37 C.F.R. 1.137(b)**

Sir:

The above-identified application became abandoned for failure to file a timely and proper reply to the Office Action mailed December 16, 2002 by the United States Patent and Trademark Office. Applicant has received a Notice of Abandonment mailed June 25, 2003, which confirmed the abandonment of this application effective June 16, 2002.

Applicant hereby petitions for revival of this unintentionally abandoned application pursuant to 37 C.F.R. § 1.137(b). Filed with this petition are:

- (1) an authorization to charge Deposit Account No. 50-1778 for the large entity petition fee under 37 C.F.R. § 1.17(m) in the amount of \$1240;
- (2) a reply to the above-noted Office Action;
- (3) the statement required by 37 C.F.R. § 1.137(b);
- (4) a copy of a Power of Attorney filed under separate cover; and

(5) a terminal disclaimer. Since this utility application was filed after June 8, 1995, the terminal disclaimer is not required by 37 C.F.R. § 1.137(b) and (d). Rather, the terminal disclaimer is filed in response to the above-noted Office Action.

In support of this Petition, Applicant makes the following Statement:

The entire delay in filing the required reply from the due date of the required reply until the filing of a grantable petition under 37 C.F.R. § 1.137(b) was unintentional.

Please apply any charges not covered, including any required extensions of time, or credit any overpayment, to Deposit Account No. 50-1778.

Date:

13 August 2003
